Webinar

Success Stories from the Field: Involving Community Health Workers in Team- based Cardiometabolic Care

**Wednesday, June 9, 2021
12 - 1 p.m.**

The webinar will define the role of community health workers (CHWs); describe effective CHW strategies to improve cardiometabolic care, improve outcomes, and reduce cardiovascular disease disparities; and offer real world approaches to integrating or linking CHWs into team-based primary care.

CME offered at no cost.
