FACILITATORS:

Goutham Rao, MD, FAHA & Aleece Caron, PhD
Case Western Reserve University School of Medicine

DATES:

January 2025 - January 2026
ECHO QI Clinics on the first Thursday of each month, 8-9 a.m.

Cardi-OH is recruiting seven Ohio primary care practices to participate in an innovative quality improvement (QI) initiative using the Project ECHO model.

How it Works

- Practices design, implement, and evaluate a QI project that addresses an important problem in cardiovascular disease prevention or management.
- Monthly 1-hour virtual ECHO clinics featuring didactic presentations led by subject matter experts, followed by a discussion of practices' progress in QI efforts.
- Monthly data submission followed by a 1-hour QI coaching session to review your practice's individual QI project.

Why Join

- Professional development and continued learning.
- Increased QI knowledge and support from a dedicated coach.
- Expanded knowledge network and collegiality with practices across the state.
- Improved patient care delivery.
- No-cost CME credits available and support for MOC.
- Participation stipend.
