How It Works

Cardi-OH ECHO utilizes Zoom to conduct virtual clinics with primary care providers in Ohio.

This hub-and-spoke model connects physicians, nurses and other clinicians with a multidisciplinary panel of experts who provide the specialized knowledge they need to care for patients with complex conditions.

Each clinic will include a brief didactic session followed by an interactive discussion of de-identified case studies, and will offer a whole-person approach to diabetes and cardiovascular risk management.

Why Join Cardi-OH ECHO

- Professional development and continued learning
- Expanded knowledge network and collegiality with practices across the state
- Increased efficiency and joy of practice
- Improved patient retention, health outcomes, and satisfaction
- No-cost CME credits available

Testimonials

“I enjoyed hearing alternative perspectives, learning more about diverse communities, and expanding my knowledge base. I enjoyed the case studies and collaborating on plans for these patients.”

Jane Rupp, CNP
University Hospitals Otis Moss Jr. Health Center, Cleveland, Ohio

“It was well paced and well presented. I learned a lot of clinical pearls that will improve my skills and practice.”

Akram Assaly, PA-C
University of Toledo General Internal Medicine, Toledo, Ohio

In partnership with:

Founded in 2017, the mission of Cardi-OH is to improve cardiovascular and diabetes health outcomes and eliminate disparities in Ohio's Medicaid population.

Additional Information

Eligibility Requirements

- Must be a Medicaid provider
- Must be a Primary Care Provider (e.g., Family Medicine, Internal Medicine, Geriatrics, OB/GYN, Pediatrics)
- Must have a clinical office with an Ohio address

Participation Requirements

- Each practice will present at least 2 case studies during the 12-week virtual clinic
- Each practice will submit all case studies prior to the start of the series (Due December 16, 2022)
- Participants will work with the Clinic Coordinator to determine a mutually agreed-upon date for case study presentations
- Participants will complete surveys as a part of program evaluation and submit a signed Statement of Collaboration

Other Things to Know

- Participants are encouraged to be visible on video while in the session
- Cardi-OH ECHO will support practices' use of web conference technology (i.e., webcam, microphone/telephone audio, Zoom software) including a 1-on-1 tech check prior to the beginning of the 12-week clinic
- All sessions will be recorded and photographed (an edited version of the recording will be made available on our website)

By registering, you confirm your acknowledgment and consent to participate in Cardi-OH ECHO and agree to:

- Participate collegially in regularly scheduled Cardi-OH ECHO Clinics by presenting cases, providing comments, and asking questions
- Keep confidential any patient information provided by other participants during a clinic
- Complete periodic surveys to help improve services to clinicians and other partners
- Use required software including, but not limited to, Zoom and Box
- Provide clinical updates and de-identified outcome data on patients as needed
- Be solely responsible for the treatment of your patients and understand that all clinical decisions rest with you regardless of recommendations provided by other Cardi-OH ECHO participants
- Ensure that your patients are aware of your participation in Cardi-OH ECHO and that their de-identified information may be shared

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Ohio State Medical Association (OSMA) and The MetroHealth System. The Ohio State Medical Association (OSMA) is accredited by the ACCME to provide continuing medical education for physicians. The MetroHealth System designates this educational activity for a maximum of 12.00 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Other Healthcare Professionals: check with your professional association as these credits might be applicable for hours towards licensure renewal.
