Integrating Behavioral Health and Primary Care Services:

Lessons Learned From Three Ohio Practices

February 10, 2021, 12:00 - 1:00 p.m.

PRESENTED BY

Trygve Dolber, MD

Assistant Professor, Psychiatry and Internal Medicine
Associate Director of Population Behavioral Health
University Hospitals Cleveland Medical Center
Case Western Reserve University

Featuring panelists from:

The University of Cincinnati
The Ohio State University
Northeast Ohio Medical University

This 1.00 CME credit webinar will highlight the magnitude of unmet mental health need in the population and its role in physical health burden, present the rationale, evidence, and outcomes for integrated care to address unmet mental and physical health needs, and address the practical, stepwise application of integrated care into an existing practice. The webinar will include a special focus on cardiometabolic health.

After registering, you will receive a confirmation email containing information about joining the webinar. If you have any questions or need assistance with registration please contact the Cardi-OH Team at info@Cardi-OH.

The Ohio Cardiovascular & Diabetes Health Collaborative (Cardi-OH) is a statewide initiative of health care professionals who share knowledge to improve Medicaid patient outcomes and eliminate health disparities across Ohio.

The MetroHealth System is accredited by the Ohio State Medical Association to provide continuing medical education for physicians. The MetroHealth System designates this educational activity for a maximum of 1.00 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity. Other Healthcare Professionals: check with your professional association as these credits might be applicable for licensure renewal.

The Ohio Cardiovascular and Diabetes Health Collaborative is funded by the Ohio Department of Medicaid and administered by the Ohio Colleges of Medicine Government Resource Center. The views expressed in this webinar are solely those of the authors and do not represent the views of the state of Ohio or federal Medicaid programs.
