Webinar

Management of Type 2 Diabetes in the Adolescent and Young Adult: Preventing Diabetes-Related Comorbidities and Bridging the Transition to Adulthood

Wednesday, December 1, 2021
12 - 1 p.m.

This 1.00 CME credit webinar will review evidence-based guidelines to improve patient care, describe family-based assessments and approaches to enhance diabetes management, and identify transition of care models and technology to prevent treatment lapses and urgent medical care for adolescents and young adults with type 2 diabetes.

CME offered at no cost.
