

Cardi-OH Update

The Ohio Cardiovascular & Diabetes Health Collaborative (Cardi-OH) is a statewide initiative of health care professionals who share knowledge to improve Medicaid patient outcomes and eliminate health disparities across Ohio.

Tune in to Cardi-OH Radio

Personalizing Diabetes Care to Optimize Outcomes

Check out the latest podcast featuring Karen Bailey, MS, RD, LD, CDE, from Ohio University.

Podcasts highlight national, state, and local leaders discussing timely topics for primary care clinicians.

Fall 2020 TeleECHO Clinic

Overview of 2020 Standards of Medical Care in Diabetes

View highlights from last week's Tackling Type 2 Diabetes TeleECHO Clinic featuring a welcome message from Mary Applegate, MD.

Cardi-OH has partnered with Project ECHO® to support primary care providers to safely and effectively treat cardiovascular disease and diabetes.

Using simple video conferencing technology and case-based learning, Cardi-OH ECHO creates a unique partnership between community healthcare providers and a team of multidisciplinary specialists from Ohio's leading medical centers.
